Dear Chinese School families and friends:

On behalf of Lexington Chinese School, we would like to thank you for your help in organizing the China Earthquake Relief Fundraising. We also appreciate your gifts for the activities in the event, and your generous monetary contributions to the disaster victims. Your kind giving has enabled us to raise about \$11,000, an amount that will definitely make a difference to the suffering families in Si Chuan, China.

As mentioned in our previous school letter, we will forward the raised amount to the Chinese Consulate General in New York. The money will be specifically directed to the school rebuilding efforts in the disaster area. One of our goals is to establish communication with these schools to further support their future needs.

Again, we value you as friends and families of Lexington Chinese School. In particular, we deeply appreciate your generosity in offering yourself and in donating for a worthwhile cause.

Best wishes,

Min He, Principal
