Lexington Chinese School

Our family has lived in Lexington since 2003 and we are very fortunate to get involved in the friendly Chinese Community. Both my husband and I worked at UK. I am the web and database analyst in Kentucky Geological Survey. We have two kids: Evan and Kelly. Both of them attend Lexington Chinese School. As our PTA coordinator, my responsibility is to help to build strong working relationships among parents, teachers, and schools, in support of students. I am looking forward to working with wonderful teachers, parents and students in LCS!

我们 2003 年来到列克星敦，找到了组织。我和我先生都在 UK 工作。我们一儿一女都在中文学校学习。今年我作为 PTA 的负责人，希望大家多多关照。PTA 作为联系学校，家长，老师和学生的纽带，我们主要的工作重心是提供多渠道的交流平台，及时反馈家长，老师，学生的意见；对大家关心的问题，组织主题讲座；发动学生和家
长，积极参与我们的筹款活动等等。有了大家的支持，我们一定能更好的服务大家。

Min He

Principal (Acting)

Board of Directors

Lexington Chinese School

I came to Lexington in 1990. I am currently working at Lexmark as a Project Manager. I have also served Lexington Chinese School as officer since day one when it was established in 1995. I'm a mother of two daughters. Both of them studied Chinese in LCS for many years.

My recent 8 years principal experience in LCS taught me how to run a non-profit organization and cooperate with people for school activities. As a witness of 21 year school history, I've seen how the school has developed and grown up. I would love to continue to serve the school in many ways as needed to make it better and stronger.

Yang Xu

Education Coordinator

Lexington Chinese School

My name is Yang Xu, I have been in Lexington for three years. My family came to America in 2009. I have a caring husband and a lovely 17-year-old daughter. I am glad to meet everyone here. In China, I was a Chinese teacher for almost twenty years in a primary school and a technical school.

I have been with Lexington Chinese School for one year and half as a sub teacher and a teacher. I love those students. The part time job gives me more happiness. It is gratifying to teach Chinese and share Chinese Culture. The two hours I spend at the Chinese School are the most rewarding part of my week; it is really a worthwhile commitment. This semester I am excited to keep teaching Chinese. I appreciate the opportunity to teach Fall16 CSL-P2 class.

Spending time with my daughter and enjoying the time with my family seem to be my biggest hobby nowadays. In my free time, I have a passion for learning English and reading Bible.

Fei Ma

Vice Principal &
Activity Coordinator

Lexington Chinese School

I have been working with Lexington Chinese School since my older son started taking the youth class at age of three and half. It seems I will be with Chinese school for a long while since our younger son will definitely join Chinese school although he is only 2 years old. I love to see kids around me keep speaking Chinese and this is exactly what I want to see in our Chinese school. Although I do not have much educational experience with young kids except as an instructor in a medical school for two years, I would love to serve my thoughts and energy to student's Chinese language education.
